

**THE DR. GLADYS M. OLVIS SCHOLARSHIP**

**AWARDED BY THE COMMUNITY FOUNDATION FOR MONTEREY COUNTY**

**Background:**

This fund has been established to provide scholarships for higher education to students at the Memorial University of Newfoundland to pursue a 4-year or advanced degree in medicine or health sciences (other than psychology).

The committee shall make an award of \$1000 annually. A student can apply each year that he or she meets the criteria.

**Scholarship Criteria**

1. The scholarship recipient should be chosen based on the applicant's:
  - Documented financial need
  - Pursuit of a 4 year or advanced degree in medicine or health sciences (other than psychology).

For questions regarding this scholarship, please contact Josh Warburg at the Community Foundation for Monterey County at (831) 375-9712 or [joshw@cfmco.org](mailto:joshw@cfmco.org).

### **In the Spirit of Giving Bursary**

This bursary was established by a generous donation from Dr. Shakti Chandra, who was a member of the Faculty of Medicine from 1974 until her retirement in 2015. Dr. Chandra taught anatomy to generations of medical students and was awarded the honour of Professor Emerita of Memorial University of Newfoundland in 2016. Her profound knowledge of anatomy and love of teaching garnered numerous awards and the respect and admiration of her students. She devoted countless hours to community outreach by visiting schools throughout the province promoting science and science education, and regularly displayed her very well regarded Body Works exhibit. These plastinated, exquisitely prepared, anatomical specimens are not only valuable teaching aids but works of art in their own right. Valued at a portion of the income on the endowment, the bursary will be awarded annually to a student enrolled in any year of the Doctor of Medicine degree program. The recipient must have demonstrated financial need as well as meet the minimum academic requirements for a bursary as defined by the University. The bursary is renewable for the completion of the MD program provided the student continues to meet the criteria of the bursary. The bursary will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries, and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

### **Alcohol and Drug Dependency Commission Commemorative Awards**

These awards have been established to commemorate the Alcohol and Drug Dependency Commission (1982-1992). In an effort to promote the pursuit of addictions studies in various disciplines, it is hoped that recipients will pursue careers in addiction-related fields. Up to three awards, valued at \$750.00 each, are available annually and open to students who have completed a major or published paper at the undergraduate or graduate level or are completing an Honours Dissertation on addictions issues. It will be awarded on a rotating basis to students in Pharmacy, Nursing, Medicine, and Social Work with a Faculty or School receiving only one award in any given scholarship year. These awards will be granted by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards upon recommendation of the Dean/Director/Head of the respective Faculty or School.

### **THE AMGEN CANADA MEMORIAL UNIVERSITY FAMILY MEDICINE SCHOLARSHIP**

This scholarship is established through funding by Amgen Canada of \$1000 each for five recipients per year for a three-year term. #### **Central Regional Integrated Health Authority and Dr. J.F. Brown Bursary**

Each year an award is made available to students from the former Central West Board. The annual income shall be awarded as a bursary to a student of any year from the former Central West area who demonstrates the greatest need and who, in the opinion of the Dean, has achieved adequate academic performance. Should for any reason a bursary not be awarded, the entire amount is to be returned to the fund, and the award made the following year in the usual manner. It will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards acting on the decision of the Dean of Medicine's Advisory Committee on Awards, Bursaries and Scholarships. Applications may be submitted in September of each year.

#### **The Charles Butler Undergraduate Scholarship**

These scholarships were established by a generous donation from Mr. Charles Butler of Pembroke, Ontario. Mr. Butler has been a long-time friend of Memorial University and Newfoundland and Labrador, supporting Memorial's activities in the Ottawa region for many years. Two scholarships, valued at \$2,500 each, will be awarded annually to full-time students enrolled in any year and any program of undergraduate study at Memorial University. The recipients must meet the minimum academic requirements for a scholarship as defined by Memorial University. These scholarships will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards.

#### **Christopher & Donna Cox Scholarship**

This scholarship, established through a generous contribution by Dr. Donna Hardy Cox and Dr. Christopher Cox, is valued at \$500 per annum. Drs. Donna Hardy Cox and Christopher Cox, both alumni of Memorial University of Newfoundland, have established this scholarship in gratitude for their well-rounded student life and academic experiences. To be eligible, candidates must be full-time undergraduate students. The scholarship will be awarded annually on a rotating basis between the School of Social Work and the Faculty of Medicine, beginning with the latter. In Medicine, the Scholarship will be awarded to a graduating M.D. student who has a strong academic record and who has expressed an interest in specializing in Oncology. In the School of Social Work it will be awarded to a graduating B.S.W. student who is in scholarship standing and who has made the greatest contribution to student and community leadership. The Scholarship is awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards, based on the recommendation of the Dean/Director of the appropriate discipline.

#### **Cooze Keinath Scholarship**

This scholarship is established by Dr. Derek Cooze a graduate of the Faculty of Medicine, M.D. Class of 1985 and his spouse, Dr. Kim Keinath. Valued at a portion of the income on the endowment, it will be awarded annually to a student in the Doctor of Medicine degree program on the basis of scholarship standing. It will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and

Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

### **Craig L. Dobbin Bursary in Medicine**

The Craig L. Dobbin Bursary in Medicine was established by a generous gift through Dare To: The Campaign for Memorial University, in memory of Dr. Craig L. Dobbin. The bursaries will be awarded to full-time undergraduate students in the Faculty of Medicine. The bursaries will be made available annually and will be used to assist medical students who have exhausted many other means of support and still find themselves in financial difficulty. To apply, students should write a letter outlining their financial needs and complete a bursary application form. The number and value of the bursaries available each year will depend on the funds available for spending (as per University policy), and will be determined at the discretion of the Dean, Faculty of Medicine. Where possible, preference will be given to students from Newfoundland and Labrador who indicate a desire to practice in Newfoundland and Labrador. The bursaries will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

### **Darshan (Beeji) Wadhwa Memorial Scholarship in Medicine**

This scholarship was established by generous donations from family to cherish and honour the memory of Darshan (Beeji) Wadhwa. Born in India in 1914, Beeji could only attend primary schooling but that was enough for her to appreciate the value of education. She became the driving force for professional education of all her children and her grandchildren. This scholarship is established by the family for her unwavering commitment to support academic excellence. Valued at a portion of the income of the endowment, it will be awarded annually to a student entering the first year of the Doctor of Medicine degree program. The recipient must demonstrate a strong academic background as well as meet the minimum academic requirements for a scholarship as defined by Memorial University of Newfoundland. This scholarship will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

### **Dean's Building a Healthy Tomorrow Award**

These awards are made possible by donations from alumni and friends who wish to support student success in the Faculty of Medicine, Memorial University of Newfoundland. Guided by the vision of Dr. James Rourke (Dean, 2004-2016), these awards recognize the exceptional contributions of full-time students enrolled in the undergraduate and graduate programs within the Faculty of Medicine, who work steadfastly towards building a healthy tomorrow. The amount available for these awards is valued at a portion of the income on the endowment, however, the Dean, Faculty of Medicine will determine the allocation of awards to be distributed to undergraduate or graduate students. To be considered for these awards, students will submit an application describing how they are making a contribution towards building a healthy tomorrow. Students may also wish to include a statement of financial need in their application. Undergraduate medical student applications will be received by the Office of Student Affairs and graduate student applications will be received by the Office of Research and Graduate Studies. These awards will be granted either by the Senate Committee on Undergraduate Scholarships,

Bursaries and Awards or by the Dean, School of Graduate Studies upon the recommendation of the Dean, Faculty of Medicine.

#### **Dr. Charles Nardini Memorial Award**

This award was initiated by the M.D. Class of 1986 in memory of a classmate who was tragically killed in a skidoo accident in the Spring of 1986. Valued at a portion of the income on the endowment, it will be awarded annually to a graduating student of the Doctor of Medicine degree program. The student will be selected by classmates and judged as follows: the student who best exemplified the characteristics of leadership, friendliness, good humor, care and concern for fellow students and patients. Preference, when possible, will be given to students from Labrador. The student will be nominated by classmates and recommended on the basis of a majority vote. Selection will take place after completion of the fourth year. It will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

#### **Dr. Châu Nguyễn Bursary in Infectious Diseases**

This bursary was established through donations from family, friends, colleagues and the widow of Dr. Châu Nguyễn. Dr. Nguyễn practiced as a clinical infectious disease specialist in St. John's for 10 years and was known for his commitment to his patients and to teaching. He was born in Huế, Central Vietnam, became one of "the Vietnamese boat people" and arrived in Canada in 1975. While studying internal medicine at the University of Toronto, Dr. Nguyễn developed a lifelong passion for clinical infectious diseases and tropical medicine. He was an assistant professor with the Faculty of Medicine, Memorial University of Newfoundland and an adult infectious disease specialist at the Health Sciences Centre. Valued at a portion of the income on the endowment, the bursary will be awarded annually to either a student in the undergraduate medical education program or a resident in the postgraduate residency program who is taking a national or an international elective in infectious diseases. The elective must satisfy the Faculty of Medicine requirements in order to be eligible. Applicants must show interest in and a passion for a career in infectious diseases. The recipient must have demonstrated financial need. Undergraduate student recipients must also meet the minimum academic requirements for a bursary as defined by Memorial University of Newfoundland. This bursary will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards or by the Office of Postgraduate Medical Education on the basis of a recommendation from the Chair of Medicine and with the approval of the Dean of Medicine.

#### **Dr. Connie Hapgood/Live by Wealth Management Research Travel Award for MD Learners**

This award was established by a generous donation from Dr. Connie Hapgood and Mr. Michael Kidney. Today, more than ever, ground breaking research will be important to deal with medical issues and pandemics. This award will allow our students to showcase their research and learn from their peers around the world and is intended to be used to cover the costs of traveling to a recognized conference to present their research. Valued at \$3,000, the award will be granted annually to a student in the MD program at Memorial University of Newfoundland who receives the highest mark in their healthcare related research project. The recipient must meet the minimum academic requirements for an award as defined by the University. This award will be granted by the Senate Committee on Undergraduate Scholarships, Bursaries, and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Undergraduate Scholarships, Bursaries and Awards.

#### **Dr. David Almond and Dr. Dennis Morgan (Class of 1980) Memorial Bursary**

This bursary was established in recognition of Dr. David Almond and Dr. Dennis Morgan, both graduates of Memorial University of Newfoundland's Faculty of Medicine in 1980 who each led successful careers as cardiologists. Dr. Almond trained in interventional cardiology and was highly regarded for his clinical expertise and teaching skills. Among his many career accomplishments, Dr. Almond helped to establish the renowned interventional cardiology program at London Health Science Centre. Dr. Morgan, who attended medical school with the aid of bursaries and scholarships, worked across Canada while maintaining strong ties to his home in Newfoundland. He trained in echocardiography with a special interest in left ventricular function, and was beloved by patients, colleagues, family and friends. Both physicians were known for their compassion and ability to help patients feel comfortable and empowered in their care. Their families encourage the recipient of this bursary to strive for balance between their career in medicine, and with the personal activities and relationships that bring them happiness. Valued at a portion of the income on the endowment, the bursary will be awarded annually to a student from Newfoundland and Labrador who has completed their third year of the MD program

at Memorial University of Newfoundland. The recipient must demonstrate financial need as well as meet the minimum academic requirements for a bursary as defined by Memorial University of Newfoundland. Preference will be given to those who have shown excellence in both academic and clinical skills. This bursary will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

#### **Dr. David G. Greenland Memorial Bursary in Family Medicine**

This bursary, established through a generous contribution from Heather Greenland in memory of her late husband, Dr. David G. Greenland, is valued at \$2,500 per annum. Dr. Greenland loved to mentor new doctors and was heavily involved in continuing medical education in Grand Falls, NL for many years prior to passing away in 2005. The bursary will be awarded to a full-time undergraduate student in the Faculty of Medicine with demonstrated financial need and in good academic standing. To be eligible, students must be in their third year of study or beyond and have demonstrated dedication to the practice of family medicine by indicating the intention to go into Family Medicine residency. Preference will be given to students from central Newfoundland as defined by the university. The bursary is awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean, Faculty of Medicine.

#### **Dr. Falah Maroun Award in Surgery**

This award is in recognition of Dr. Falah Maroun for his years of service to the Newfoundland and Labrador community as a skilled surgeon, a respected leader and a mentor to medical students and residents. Provided by the Discipline of Surgery, this award is granted to the student in the doctor of medicine degree program with the highest collective score on the surgery clerkship examinations and a recognizable performance on the surgery In-Training Evaluation Reports. The award will be granted by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean's Advisory Committee on Undergraduate Scholarships, Bursaries and Awards.

The scholarship is awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards acting on the recommendation of the Dean of Medicine and a Faculty Selection Committee.

#### **Dr. George Callahan Bursary**

This bursary was establishment by a donation from Ms. Jeanette Callahan in memory of Dr. George Callahan who died prematurely on June 5, 1979. Dr. Callahan is remembered as an outstanding human being and great physician. He practiced as a family physician with privileges at St. Michael's Hospital in Toronto and spearheaded the first corporate medical practice in the downtown core of Toronto. His early family practice reflected the era of house calls and the leather black bag carrying medications and

equipment. There were many instances in his life when he assisted medical students or interns who were experiencing financial difficulty. He did this without expecting to be repaid. Valued at a portion of the income on the endowment, the bursary will be awarded annually to a student in the doctor of medicine degree program at Memorial University of Newfoundland. The recipient must have demonstrated financial need as well as meet the minimum academic requirements for a bursary as defined by the University. Bursary applications are available at the Faculty of Medicine's Student Affairs Office. This bursary will be granted by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

#### **Dr. Laura Hiscock Memorial Bursary**

This bursary, valued at a portion of the income from the endowment, has been established through generous gifts from the classmates, friends and family of Dr. Laura Hiscock, M.D. class of 1992, in memory of Laura's life and to honour her enduring spirit. Laura was passionate about life and had an

outstanding ability to maintain balance between work and leisure. She was devoted to family and enjoyed helping and encouraging others; she supported other people and enjoyed celebrating their accomplishments, it seemed, as much as her own. She excelled at sports but was also an outstanding “sportsman”, with a belief that doing your best was what really mattered. The bursary will be awarded annually to a student in the Doctor of Medicine degree program who, in addition to demonstrated financial need, best demonstrates the qualities Laura embodied: passion for life, devotion to family, work-life balance, selflessness, supportive of others, and good sportsmanship. To be eligible students must be in their third year of medical studies or beyond. It will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards, on the recommendation of the Dean of Medicine’s Advisory Committee on Scholarships, Bursaries and Awards.

#### **Dr. Lynette Adams Memorial Bursary**

This bursary was established in memory of Dr. Lynette Adams (M.D. 1997) through a generous gift from Dr. Corey Adams, and her family and friends. Lynette was a passionate, patient-centered, rural family physician for over twenty years. She drew from her personal experiences with breast cancer to counsel and care for patients facing similar circumstances. Her spirit lives on through the lives of her three daughters and in the memories of patients, friends and family. Valued at a portion of the income on the endowment, the bursary will be awarded annually to a full-time student in any year of the doctor of medicine degree program who graduated from a high school in rural Newfoundland and Labrador. The recipient must demonstrate financial need and meet the minimum academic requirements for a bursary as defined by Memorial University of Newfoundland. This bursary will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine’s Advisory Committee on Scholarships, Bursaries and Awards.

This prestigious scholarship will be awarded annually to an academically outstanding (top 10 in the class) student who has completed the Preclerkship component of the M.D. program and who demonstrates a significant record of community leadership, prior to entry or during the medical program. Only residents of the province of Newfoundland and Labrador are eligible to apply. The scholarship will be paid out to the recipient in two installments, one after

completion of second year and one during the third year of medical studies. The recipient will be known as the 'Fagan Family Scholar'. The scholarship is awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards, acting on the recommendation of the Dean, Faculty of Medicine, and based on an application to be submitted by January 31 of the second year of medical studies. The Office of Student Affairs, Medicine will receive applications and assist the Dean with the selection.

#### **Gina D. Blundon Memorial Award**

This award was established in memory of Gina Doreen Blundon, of Carbonear, Newfoundland, who passed away suddenly on May 18, 2001. Gina was a member of the Memorial University of Newfoundland Faculty of Medicine Class of 2004, and her classmates, family and friends wish to honour her spirit through the establishment of this award. Valued at a portion of the income from the endowment, it will be awarded annually, to an undergraduate medical education student in the Faculty of Medicine, following a nomination process. Nominations for this award can be made by any member of the health care team who has had interactions with medical students. The recipient must have a positive, caring attitude and have contributed to the quality of student life in addition to meeting the minimum academic requirements for an award as defined by Memorial University of Newfoundland. This award will be granted by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

#### **Glenn Chatman Memorial Award**

This award was established by a generous donation from Glenn's Helping Hand Foundation, in memory of Glenn Chatman. Glenn was a friendly, loving, sentimental young man, with a perpetual smile. He was a charmer, a joker, and even a risk-taker. He was a son, a nephew, a cousin and a best friend. As a tribute to Glenn, his family created Glenn's Helping Hand Foundation to enhance the quality of life for those living with Diabetes. The family's goal is to allow people to focus on their health, not their medical bills. Valued at a portion of the income on the endowment, the award will be granted annually to a student completing Phase 3 of the MD Program at Memorial University of Newfoundland. Preference will be given to the student who receives the highest cumulative score in Diabetes-related exam questions. The recipient must meet the minimum academic requirements for an award as defined by the University. This award will be granted by the Senate Committee on Undergraduate Scholarships, Bursaries, and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

#### **Global Health Equity Travel Award**

This award was established by donations from faculty and staff of Memorial University of Newfoundland who support the principles and goals of Global Health and Health Equity to improve health and achieve health equity for all people worldwide. Valued at \$500 each, two awards will be granted annually to students enrolled in the doctor of medicine degree program who want to undertake an international elective training opportunity in a resource challenged context. The students must demonstrate a commitment to global health and health equity throughout their medical education program by participation and leadership in activities that promote learning and action related to health equity. The recipient must meet the minimum academic requirements for an award as defined by Memorial University. The recipients are expected to make a presentation to the university community on return.

Applications are available from the Office of Student Affairs, Faculty of Medicine. This award will be granted by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

### **Gordon Mercer Rural Medicine Bursary**

Named for the Founding Officer for Student Affairs in the Faculty of Medicine (1972), this bursary is awarded to a student entering the first year of the Doctor of Medicine degree program who is from a rural community (as defined by the University) in Newfoundland and Labrador and who has demonstrated financial need. Valued at a portion of the income on the endowment, the bursary is awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards, on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

### **Grateful Patient Bursary in Medicine**

This bursary was established by a gift from an anonymous donor who wishes to support students entering the Faculty of Medicine at Memorial University of Newfoundland in recognition and gratitude for the medical care he received during a difficult time in his life. Valued at a portion of the income on the endowment, one or more bursaries will be awarded annually to students entering the Doctor of Medicine degree program who have demonstrated financial need as well as meet the minimum academic requirements for a bursary. It is the donor's wish that the recipients, at such a time when they are financially able, will contribute back to the Grateful Patient Bursary to enable the fund to grow and assist more students. This bursary will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of the Medicine's Advisory Committee on Scholarships, Bursaries and Awards. An application form is available at the Office of Student Affairs, Faculty of Medicine.

### **The Dr. Harry Roberts Scholarship in Medicine**

This scholarship has been established through generous gifts from Elizabeth Drugs Limited and the family of the late Dr. Harry Roberts, a graduate of Memorial University College in 1931 and an early and ardent promoter of the medical school. This scholarship will be valued at a portion of the income on the endowment and will be awarded annually. In recognition of the contribution made to the community and to the medical profession by Dr. H.D. Roberts, the scholarship will be awarded upon completion of the doctor of medicine program to a student that has a strong academic record. The scholarship is awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards, based on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries, and Awards.

### **Hunter W. Earle Memorial Scholarship in Medicine**

This scholarship has been made possible from the proceeds of a memorial fund established by colleagues of the late Dr. Hunter W. Earle and a generous donation from Mrs. Marilyn Pasternak, widow of Dr. Earle. Valued at a portion of the income on the endowment, the scholarship will be awarded annually to a student who has completed their third year of the Doctor of Medicine degree program. The recipient must exemplify the characteristics of leadership, sportsmanship and interest in student activities, as well as maintain a good academic standard. Preference will be given, where possible, to students from the Port-de-Grave District.

### **Judy Peddle Memorial Bursary**

This bursary was established by Mr. Calvin Peddle, in loving memory of his wife, Judy Peddle. Judy was a fun loving, caring and giving person. She was a beacon of strength and determination who met every challenge with an insurmountable resilience and a positive attitude. Judy was a wife, an aunt, a sister, a daughter, and an unforgettable friend to all who knew and loved her. Her beauty and endless heart were shown in her relationship to all lives she touched, in the crafts she created and in the way her smile lit up everyone's life. Her life was always like Spring, with the brightness and promise of a better tomorrow. As a tribute to Judy's infinite giving heart, this award is aimed at helping a student with financial need. "Yes, it's nature's time to sing, And make the whole world 'round her ring. She's happy now, At last, 'tis Spring!" The bursary will be awarded to a student in any year of study in the Doctor of Medicine undergraduate degree program at Memorial University of Newfoundland. The recipient must meet the minimum academic requirements for a bursary as defined by the University. ### **Layton and Thelma Smallwood Bursary in Medicine**

The Layton and Thelma Smallwood Bursary in Medicine is endowed through a gift from the Smallwood Family (Cathy, Ray, Melissa, Amanda and Matthew). Layton and Thelma came from a modest background and grew up in rural Prince Edward Island. They were exceptionally hard workers and very generous members of their community. They believed that personal development through formal education, as well as the general acquisition of knowledge through informal means were critical to an individual's success and the attainment of many personal goals. Layton and Thelma Smallwood had a granddaughter who studied in the Faculty of Medicine, Memorial University of Newfoundland and it is therefore appropriate that their generosity and belief in education be honoured with a bursary in their name. Valued at a portion of the income on the endowment, the bursary will be awarded annually to a student who has completed either first or second year in the Doctor of Medicine degree program. The recipient must have demonstrated financial need and meet the minimum academic requirements for a bursary as defined by the University. This bursary will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

### **Marie T. Kennedy Bursary**

In her will, Ms. Marie Theresa Kennedy left a bequest to Memorial University of Newfoundland to allow one or more bursaries of at least \$5,000.00 to be awarded annually. To be considered, a candidate must be a full-time undergraduate student, in any year of study, majoring in Science or Medicine - it will be awarded on a rotating basis. Students receiving scholarships or bursaries from other individuals or institutions, for the same scholarship year, will not be eligible. The bursary will be awarded on the basis of need and academic effort by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards upon recommendation from the appropriate Dean.

### **Marion Grace Holland Outerbridge Entrance Award**

This award was established by a generous donation from Ms. Sharon Gray to honour the life of her Aunt Marion (Marni) Grace Holland Outerbridge (July 1, 1930 - May 15, 1985). Marion completed her training as a nurse at the Women's College Hospital in Toronto in 1952 and moved to St. John's, Newfoundland, following her marriage November 28, 1953, to Peter Outerbridge of St. John's. Marion strongly believed

in medical education for women and the opportunity for nurses to advance in the medical profession. Valued at a portion of the income on the endowment, it will be awarded annually to a student entering the undergraduate medical education program who has completed a degree in nursing. The recipient must have demonstrated financial need as well as meet the minimum academic requirements for a bursary as defined by Memorial University of Newfoundland. The recipient must meet the minimum academic requirements for an award as defined by Memorial University of Newfoundland. This award will be granted by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

### **Elizabeth J. Ives Bursary in Medicine**

This Bursary was established by a generous donation from Dr. Elizabeth J. Ives, Professor Emerita. Dr. Ives, the first Professor of Genetics at Memorial University of Newfoundland's Faculty of Medicine, established the Provincial Medical Genetics Program. Valued at a portion of the income on the endowment, it will be awarded annually to a student in any year of study in the undergraduate Doctor of Medicine Program at Memorial University. The recipient must demonstrate financial need as well as meet the minimum academic requirements for a bursary as defined by the University. This Bursary will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

### **Lyons Family of Avondale-Winchburgh Bursary**

This bursary was established by a generous gift from Dr. Lian Lyons. The Lyons of the Avondale-Winchburgh Family want to help a promising young student further their education in the medical field. As an Alumna of Memorial University of Newfoundland's medical program, Dr. Lyons hopes the deserving recipient and future physician will be in a position to similarly contribute to the medical field and their community at large. "Eyes forwards, chin tucked, fight hard and never give up!" Valued at \$15,000, it will be awarded to a first year learner enrolled in the Doctor of Medicine undergraduate degree program at Memorial University of Newfoundland who has graduated from a high school in Newfoundland and Labrador. The recipient must have demonstrated financial need as well as meet the minimum academic requirements for a bursary as defined by Memorial University. This bursary is renewable for up to three additional years if bursary standing is maintained and the learner continues full-time enrollment in the Doctor of Medicine undergraduate degree program. This bursary will be

awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Scholarships, Bursaries and Awards.

#### **Veronica Lyver (Hogan) and Allan Joseph Lyver Memorial Bursary**

This Bursary was established by a generous donation from Dr. Marion Lyver (MD Class of 1979). This award was created in memory and in honour of Dr. Lyver's parents, Veronica Lyver (Hogan) and Allan Joseph Lyver. Valued at a portion of the income on the endowment, it will be awarded annually to a first-year learner in the Doctor of Medicine degree program. The recipient must demonstrate financial need as well as meet the minimum academic requirements for a bursary as defined by Memorial University of Newfoundland. This Bursary will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Undergraduate Scholarships, Bursaries and Awards.

#### **Drs. Anne & James O'Brien Quality of Care and Patient Safety Award**

This award was established by Drs. Anne and James O'Brien who have championed patient safety and quality of care throughout their careers. It is their hope that this award will recognize learners who are setting the highest standards of patient care delivery. Valued at a portion of the income on the endowment, the award will be granted annually to a Phase 4 student enrolled in the Doctor of Medicine degree program at Memorial University of Newfoundland. The recipient must demonstrate a commitment to health system improvement and harm reduction; be skillful in adaptive communication, collaboration and team-based care; and must manifest integrity, respect for others and express joy in medical practice. The recipient must meet the minimum academic requirements for an award as defined by Memorial University of Newfoundland. This award will be granted by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Dean of Medicine's Advisory Committee on Undergraduate Scholarships, Bursaries and Awards.
