### **Response Caveats**

- It is important to note that NLHS uses one account which records **accommodations and travel together**.
- As such, the NLHS ATIPP response includes both accommodations and travel, and not just accommodation as the request is worded.
- Central Zone started to break out the accommodations and travel expenses on the nursing agency invoices in fiscal year April 2020 – March 2021
- Eastern Zone and Western Zone started to break out the accommodation and travel expenses on the nursing agency invoices in fiscal year April 2023 – March 2024
- Labrador-Grenfell Zone started to break out the accommodations and travel expenses on the nursing agencies invoices in fiscal April 2024 – March 2025

### **Response Total**

The total **accommodation and travel expenses**, related to travel nurses for all NLHS Zones is **\$4,661,413.80**
