The following is sent on behalf of Maggie Noseworthy, University Privacy Officer:

Good afternoon,

Re: Your request for access to information under Part II of the *Access to Information and Protection of Privacy Act, 2015* (Our File #008-19-06-25)

On 27 January 2025, we received your request for:

“Number of failing grades received in math placement tests from 2018 to 2024”

Memorial University has reviewed your request and I am pleased to inform you that a decision has been made to provide access to the requested information. The responsive office has advised that there have been 1,278 failing grades for the Math Placement Test from 2018 – 2024.

Please note, a “failing grade” is considered to be anything less than a 50. However, there are score thresholds for various math courses. A mark of 50 is required for Math 1050, a mark of 55 is required for Math 1090, and a mark of 75 is required for Math 1000.

Please be advised that you may ask the Information and Privacy Commissioner to review the processing of your access request, as set out in section 42 of the *Access to Information and Protection of Privacy Act* (the *Act*). A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner.

The appeal may be addressed to the Information and Privacy Commissioner as follows:
