WH ATI 178 PB/682/2020	A full and complete copy of the March 31, 2020 Audited Financial Statements.
WH ATI 179 PB/692/2020	<p>... regarding prioritization of persons in healthcare during times of crisis (e.g. COVID). Context: Early in the pandemic, an article was released that outlined Italy's plan for when resources such as ventilators were overburdened. In Italy for instance, older citizens and citizens with underlying health conditions were given lower priority to ventilators than healthy, younger citizens when there became a shortage of ventilators.</p> <p>I am seeking information similar to this from Newfoundland Health Authorities. Could I please see a copy of this policy for what happens when there are more people in need than healthcare resources available? I know that this information exists in other provinces, and it probably has been developed after SARS in the early 2000s.</p>
WH ATI 180 PB/792/2020	Copy of tender for Seniors Home in Stephenville Xing to supply prescription drugs and related services (Now done by Skinners Pharmacy)
WH ATI 182 PB/831/2020	The total number of hours billed for home care and related activities for the past 3 fiscal years. Further the total dollar amount billed by each home care agency for the last 3 fiscal years.
