---

Good afternoon,

Further to the committee's meeting yesterday, we've began exploring dates further and given a number of factors, including Rosh Hashanah on Oct 3-4<sup>th</sup>, recent resourcing changes within the Office of the Provost, and Dean of Music site visits for Sept 25-26<sup>th</sup>, as well as early indication of candidate availability, in connecting with Dennis as Chair, we are proposing the following revision of dates:

- **Oct 1 – 2<sup>nd</sup>**: Candidate site visit #1 (this week was originally held in committee's calendars)
- **Oct 7 – 8<sup>th</sup>**: Candidate site visit #2
- **Oct 9 – 10<sup>th</sup>**: Candidate site visit #3

Note, we will typically look to plan the public presentation, interview, and meetings with faculty, staff, students etc. within Science on the first day of the candidate itinerary where possible (i.e. Oct 1, 7, 9<sup>th</sup>). The second day is often within the Provost office (e.g. meeting with President, VPs, lunch with academic leadership/Deans etc.) The main piece we would look to have committee attendance is for the interview with the committee, while attendance at public presentation is encouraged where possible as well. Otherwise, we'll look to have committee availability throughout the days to help introduce the candidates in meetings, host Q&A etc.

Please confirm your availability for the above dates, and advise if there are any times you will not be available by tomorrow (Sept 11) at noon.

A reminder to please keep this information confidential. Public announcements will be made from the Provost's office about the site visits once details are confirmed.

Thank you!

Shauna

Hi all.

The week of the 7-11<sup>th</sup> is pretty good for me right now.

On October 1<sup>st</sup>, however, I am in an all day meeting with the Ministry of Education on the Education Accord. This was scheduled after we 'saved' the week but it involves a huge number of people and as Dean of Education I cannot miss it.

Hi Shauna & Co,

October 1st looks good for me, but Oct 2nd not so much. I have classes Wed's from 10-12, then office hours plus some other meetings. I could potentially skip office hours and move some meetings, but my availability will be spotty. October 3 and 4 would work better for me for visit #1 (teach on the 4th @ 10am, but I have less commitments on that day). In addition to Wed@11am, I am teaching MWF @10.

In any case, there might be no perfect solution for our large group, as I am guessing everyone will have similar conflicts anyways.

Best,

Oscar

Hi Shauna,

Apologies for not responding to the query about times for on-site visits. I should have clarified at the end of our meeting last week. [REDACTED] so my time (when on campus) is pretty open. However, I have also scheduled some field research trips (in fact I was leaving for one right after the meeting Monday and just got back yesterday. I am offline and mostly out of cell range in a remote area when in the field). I am away on field work Oct. 4-11 so would not be around for candidate visits during that time. Happy to watch the videos. [REDACTED]
