## ATIPP Request 002-17-470-26

This document provides a response to the following ATIPP request:

*A list of the 107 positions eliminated across the university, as referenced in the August 26, 2026 Gazette article titled 'Workforce realignment.' For each position, include:*

*-the position title; -the department, faculty, school, or unit; -whether the position was vacated through the Voluntary Retirement Program (VRP); -whether the position was vacated through retirement outside the VRP; -whether the position was vacant at the time it was eliminated; and -whether the position was eliminated through an involuntary position closure (i.e., the position was neither vacant nor vacated through retirement).*

## Comments

The summary table below reflects the 107 positions referenced in the August 26, 2026 Gazette article, *Workforce realignment*. Detailed information is provided for 105 of those positions on the following pages.

Two positions have been excluded from the detailed listing because a final decision regarding their proposed elimination has not yet been made. If the university subsequently proceeds with eliminating these positions, an updated response will be provided to the requester.
